

Patent Supplement

Includes the prosecution or defense of any civil action (i.e. not criminal in nature)

Patent includes all aspects of the registration, protection and licensing of patents; practice before federal and state courts in actions for infringement and other actions; the prosecution of applications before the United States Patent and Trademarks Office; counseling with regard to the law of unfair competition as it relates to patents. Patent Prosecution is actively representing a client in securing intellectual property protection for an idea or writing. It does not include preserving or defending a client's intellectual property rights once secure

If more than one attorney in the Firm practices in this area, one supplement will suffice. All attorneys indicating Patent work on their Individual Attorney Supplement must be listed below.
